The Lighthouse

Psalms 126:5-6

What has the church been commissioned by God to do? Matthew 28:18-20

Is there anything else the Bible teaches that the church should be doing more?

What do we learn from the following Bible verses?
Isaiah 6:8-9; John 20:21, Acts 1:8

According to Romans 10:13-15, what is the process for someone to be saved?

What is the unseen element in Psalm 126:5-6.

In I Corinthians 3:6-9 is seen a process that takes place over time. What is it?

What is the promise given to us in Galatians 6:9
Where is the promise found for those who are willing to wait on the process?

Challenge: Live your life before others who will be able to come to Christ. There will be someone in heaven because of you.

According to Paul in I Corinthians 9:19-23 we should use all the tools available to us to reach the lost. Do you know what tools you have?

How can the church use all its' tools to reach the lost? What are our church tools? Do you think we are using them?

In the story of the "Lighthouse" can you recognize the tendency to make the church into a club? On a scale of 1 to 10 with 10 being a club, where would you rate your church?

Is there any thing you could suggest to remain or reverse the course?
